1967 TOWN OFFICERS

Moderator: Philip S. Dunlap

Selectmen:

Donald N. Rice	term expires 1968
Thomas H. Johnson, Jr.	term expires 1969
Joseph S. Ransmeier	term expires 1970

Town Clerk: David B. Packard

Town Treasurer: Owen L. French

Tax Collector: Virginia Astles

Chief of Police: Ronald Dana Daniels, Jr.

Overseer of Poor: Olive M. Cooley

Budget Committee:

Allen I. Lewis	term expires 1968
Harold O. Worster	term expires 1968
Shepard J. Wilder	term expires 1969
Marshall M. Moyer, Sr.	term expires 1969
Edward C. Leadbeater	term expires 1970
L. Melvin Tucker	term expires 1970

Supervisors of the Checklist:

Pauline D. Wilder	term expires 1970
Carolyn B. Wallace	term expires 1972
Marilyn A. Tucker	term expires 1974

Auditors:

John P. McAllaster	term expires 1968
Henry P. Condon	term expires 1969
John J. Munhall (appointed for 1 year)	term expires 1968

Forest Fire Warden:

Frank D. Johnson

Fire Wards:

Ernest S. Archibald, Contoocook
Raymond C. Proctor, Hopkinton
Stanley L. White, W. Hopkinton

Trustees of Trust Funds:

Arthur S. Duston	term expires 1968
Jessie H. Brown	term expires 1969
Vivian M. Mitchell	term expires 1970

Library Trustees:

Jessie H. Brown	term expires 1968
Ruth G. Blanchard	term expires 1969
Peter Y. Lovejoy	term expires 1970

Fence Viewers:

Alfred N. Chandler
Roy Kimball
Gordon Mayo

Tree Warden: Kenneth Parker

Weigher: Horace T. Cayer

Sexton: Bernard G. Foster

Surveyors of Wood and Lumber:

Stewart E. Astles
Angus P. Derry
Arthur D. Duston

Town Road Committee:

Richard A. Brunel	term expires 1968
Bruce George	term expires 1969
Martin Verville	term expires 1970
Tyrus C. Houston	term expires 1971
Harry C. Parker	term expires 1972

Town Forestry Board:

Arthur S. Duston	term expires 1968
Everett Jones	term expires 1969
Walter W. Dwyer, Jr.	term expires 1970
Percy Wilson	term expires 1971

Town Planning Board:

Ivan Bohanan	term expires 1968
Walter A. Dwinells	term expires 1969
G. Peter Guenther	term expires 1970
Richard Kinniburgh	term expires 1970

Cemetery Trustees:

Owen L. French	term expires 1968
Spencer S. Dodd	term expires 1969
Earl J. Rice	term expires 1970

Precinct Commissioners

Contoocook

George Bean	term expires 1968
Richard Drescher	term expires 1969
Arthur E. Starkweather, Jr.	term expires 1970

Hopkinton

Robert P. Bass, Jr.	term expires 1971
Augustine P. Moynihan	term expires 1972

Hopkinton Village Precinct

Zoning Board of Adjustment:

Richard Brunel	term expires 1968
Hilbert Siegler	term expires 1969
Joseph Ransmeier	term expires 1970
Erlon Salisbury	term expires 1971
John Abbot	term expires 1972

Representative to the General Court:

Samuel Reddy, Jr.
Robert H. Gile

THE STATE OF NEW HAMPSHIRE

The Polls will be open from 9:00 A. M. to 6:00 P. M.

*To the Inhabitants of the Town of Hopkinton in the
County of Merrimack in said State qualified to
vote on Town Affairs:*

You are hereby notified to meet at Town Hall in said Hopkinton on Tuesday, the twelfth day of March, next at nine of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To see if the Meeting will vote to recess its further business proceedings under the Warrant, to reconvene on Wednesday, March 13, 1968 at 7:30 P. M. at Hopkinton High School, the polls, however, to continue open under Article 1 as declared by the Moderator.
3. To see if the Town will vote to raise and appropriate the sum of \$7,900.00 for Town Officers' Salaries.
4. To see if the Town will vote to raise and appropriate the sum of \$8,500.00 for Town Officers' Expenses.
5. To see if the Town will vote to raise and appropriate the sum of \$900.00 for Election and Registration Expenses.
6. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for the expenses of Town Hall and other Town buildings.
7. To see if the Town will vote to raise and appropriate the sum of \$3,000.00 for Employees' Retirement and Social Security.
8. To see if the Town will vote to raise and appropriate the sum of \$20,977.00 for the Police Department.
9. To see if the Town will vote to raise and appropriate the sum of \$7,240.00 for the Fire Department.
10. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for Hydrant Rental.

11. To see if the Town will vote to raise and appropriate the sum of \$1,200.00 for Blister Rust and Care of Trees.
12. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 for Insurance.
13. To see if the Town will vote to raise and appropriate the sum of \$100.00 for Planning and Zoning.
14. To see if the Town will vote to raise and appropriate the sum of \$50.00 for Damage by Dogs.
15. To see if the Town will vote to raise and appropriate the sum of \$500.00 for Damages and Legal Expenses.
16. To see if the Town will vote to raise and appropriate the sum of \$875.00 for Civil Defense.
17. To see if the Town will vote to raise and appropriate the sum of \$5,000.00 for the Health Department Expenses and employment of a District Nurse.
18. To see if the Town will vote to raise and appropriate the sum of \$1,013.00 for Concord Hospital.
19. To see if the Town will vote to raise and appropriate the sum of \$560.00 for the support of the Concord Mental Health Center, Inc.
20. To see if the Town will vote to raise and appropriate the sum of \$80.00 for Vital Statistics.
21. To see if the Town will vote to raise and appropriate the sum of \$2,500.00 for the expenses of Town Dump.
22. To see if the Town will vote to raise and appropriate the sum of \$42,000.00 for Town maintenance of highways and bridges. (\$18,000.00 – Summer Work, \$24,000.00 – Winter Work.)
23. To see if the Town will vote to raise and appropriate the sum of \$250.00 for Street Lighting.
24. To see if the Town will vote to raise and appropriate the sum of \$5,500.00 for General Expenses of Highway Department.
25. To see if the Town will vote to raise and appropriate the sum of

\$1,656.84 for Town Road Aid. (The State to contribute \$11,045.60.)

26. To see if the Town will vote to raise and appropriate the sum of \$5,950.00 for the support of the Hopkinton Free Public Libraries.

27. To see if the Town will vote to raise and appropriate the sum of \$1,800.00 for Town Poor.

28. To see if the Town will vote to raise and appropriate the sum of \$3,300.00 for Old Age Assistance.

29. To see if the Town will vote to raise and appropriate the sum of \$400.00 for Memorial Day.

30. To see if the Town will vote to raise and appropriate the sum of \$300.00 for Parks and Playgrounds.

31. To see if the Town will vote to raise and appropriate the sum of \$250.00 for the use of the Town Conservation Commission.

32. To see if the Town will vote to raise and appropriate the sum of \$3,700.00 for Cemeteries.

33. To see if the Town will vote to raise and appropriate the sum of \$125.00 for Advertising and Regional Associations. (For membership in New Hampshire Municipal Assn.)

34. To see if the Town will vote to raise and appropriate the sum of \$1,400.00 for Interest on Temporary Loans.

35. To see if the Town will vote to raise and appropriate the sum of \$792.47 for Interest on Long Term Notes.

36. To see if the Town will vote to raise and appropriate the sum of \$4,000.00 for Town Construction and Permanent Improvement of Roads and Bridges.

37. To see if the Town will vote to raise and appropriate the sum of \$1,500.00 for Sidewalk Construction.

38. To see if the Town will vote to raise and appropriate the sum of \$600.00 to be placed in a Capital Reserve Fund for the replacement of the ambulance.

39. To see if the Town will vote to raise and appropriate the sum of \$100.00 to be placed in a Capital Reserve Fund for the care of animals

pursuant to the purposes of the Ella Tarr Trust.

40. To see if the Town will vote to raise and appropriate the sum of \$700.00 for the care of animals pursuant to the purpose of the Ella Tarr Trust.

41. To see if the Town will vote to raise and appropriate the sum of \$20,000.00 for the purchase of a new fire department tank truck, and to authorize the Board of Selectmen to borrow not more than the said sum in the name of the Town for the purpose and to execute and issue as evidence of such indebtedness notes or bonds of the Town of Hopkinton pursuant to the provisions of the Municipal Finance Act and any other applicable laws of The State of New Hampshire.

42. To see if the Town will vote to raise and appropriate the sum of \$1,750.00 for the purchase of a new town snow plow and wing.

43. To see if the Town will vote to establish a bylaw prohibiting the use of town sidewalks by motor vehicles and persons on riding horses and will direct the Selectmen, through the police department, to enforce this prohibition, the penalty for each violation to be ten dollars which shall accrue to the general fund of the Town.

44. To see if the Town will vote to authorize the Selectmen, in the name of the Town, to abandon any portion of the former location of the Sugar Hill Road at the locus of the recent TRA improvement project no longer required for public travel, and to release any title or interest of the town in such abandoned highways to the abutting property owner or owners, the Town, in exchange for the releases herein authorized, to have received due conveyance of title to the locus of the relocated highway.

45. To see if the Town will vote to accept the following Cemetery Trust Fund, the income to be used as directed, subject to such provisions as may be applicable thereto:

1. The sum of \$250.00 from John E. Rhodebeck, plus the interest to date, for the perpetual care of Lot 31, Sec. B in Contoocook Cemetery.
2. The sum of \$200.00 from William F. & Emma Cobb, plus the interest to date, for the perpetual care of Lot 24, Sec. B in Contoocook Cemetery.
3. The sum of \$200.00 from Josephine Lord, plus the interest to date, for perpetual care of Lot 61, Sec. D in Contoocook Cemetery.

4. The sum of \$50.00 from Frank H. Holmes, plus the interest to date, for the perpetual care of Plot 1, in Lot 29, Sec. C in Hopkinton Old Cemetery.

5. The sum of \$200.00 from Tracy Chellis, plus the interest to date, for perpetual care of Plots 1, 2, 3, & 4 in Lot 30, Sec. C in Hopkinton Old Cemetery.

6. The sum of \$100.00 from Henry R. Condon, plus the interest to date, for the perpetual care of Plots 1 & 2 in Lot 182, Sec. E in Contoocook Cemetery.

46. To see if the Town will vote to accept the sum of \$25.00 added to the Helping Hand Fund in 1967 in memory of Harry Marshall, Ernest H. Perkins, Tracy Chellis, Jessie Gould and Harry Diman.

47. To see for what purpose the Town shall vote to expend during the current year the income of the G. Everett Kelley Fund.

48. To see if the Town will vote to accept in the name of the Library Trustees and for the use of the Contoocook Library, the proceeds of Concord Savings Bank account #1413 heretofore held in the name of Contoocook Library Assn., Norman F. Davis, Administrator, Nathaniel Davis Estate.

49. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of the 1968 tax levy.

50. To act on reports of Town Officers, Trustees, and Committees for the year 1967.

51. To hear and transact any other business that may legally come before said meeting.

Given under our hands and seals, this 21st day of February, in the year of our Lord nineteen hundred and sixty-eight.

DONALD N. RICE
THOMAS JOHNSON, JR.
JOSEPH S. RANSMEIER
Selectmen of Hopkinton

A true copy of Warrant – Attest:

DONALD N. RICE
THOMAS JOHNSON, JR.
JOSEPH S. RANSMEIER
Selectmen of Hopkinton

SELECTMEN'S REPORT

The amount of money required to be raised from the Hopkinton taxpayer by local property taxes in 1967 was \$529,335, an increase of \$40,845, or 8.3%, over 1966. (This comparison excludes amounts raised for Precinct purposes.) The proportionate increase was the smallest in recent years. The following tabulation summarizes the distribution of this total local tax bill between town, school and county purposes for the last two years:

Amount Required to be Raised by local property tax

	Year	
	1967	1966
Town purposes	69,019	63,335
School purposes	422,230	390,316
County purposes	32,051	28,353
Overlay	6,035	6,487
	<u>529,335</u>	<u>488,490</u>

The burden of local property taxes is distributed among the people of the town according to the relative assessments placed upon their taxable property by the Board of Selectmen. During 1966, at the same time that the Board shifted the basis of Hopkinton assessments to one hundred percent of full market value, it also undertook a complete reappraisal of the town in an effort to correct any inequities in valuations which might have arisen over the years. As a result of this project, many changes in individual property assessments were made in 1966, and still more in 1967. As a result, our last published assessment record which was in the 1965 Town Report is now entirely out-of-date, and we are therefore publishing in this report the record of assessments as adopted for the 1967 tax year. Although we believe that these valuations are considerably more accurate for the town as a whole than those which were in effect when we commenced the reappraisal project, it is important for all citizens to understand that property valuations never become finally determined and fixed. From time to time, properties are improved or deteriorate, neighborhoods change, and in recent years, property values generally have tended to rise with the relentless course of inflation. With newly constructed property coming on to the selectmen's records at current market values, the owners of older properties must reconcile themselves to gradually increasing assessments for their homes and businesses if they are to bear their own fair share of the costs of local government. Moreover, the assessment function is a matter of judgement. In a town such as Hopkinton with literally thousands of separate pieces of property to be

assessed, it is inevitable that the assessing officers will arrive at some valuations which differ from some one else's judgement as to the proper figure and occasionally from the price fixed in a purchase and sale transaction. Thus, the task of assessment is really never finished, and inevitably April 1, 1968 will see some modifications, adjustments and indeed, corrections in the assessments developed by the Board for 1967 and published in this report.

For the Town of Hopkinton as a whole, the assessed value of all taxable property for 1967 (before exemptions) was \$18,848,000. The increase over the preceding year was approximately \$950,000 or 5.3%, and compares a corresponding year-to-year increase of 1966 over 1965 of about \$900,000. The accompanying tabulation indicates some of the more important categories of taxable property in town and the changes from 1966 to 1967. It is of interest to note that about one-third of the total increase was in factory buildings and manufacturers stock-in-trade, the largest contributors being the new FMC building addition and an increase of inventory on the part of Hosmer Machine Co., Inc. The increase of \$640,000 in (non-factory) land and buildings was accounted for in part by new construction and in part by net increases in the assessed valuation of pre-existing property.

Summary of Assessed Valuations

	(in thousands of dollars)		Increase	
	1967	1966	Amount	Percent
Land and Buildings (non-factory)	15,362	14,721	641	4.4
Factory Land and buildings	766	644	122	18.9
Stock-in-trade – manufacturers	872	612	260	42.5
All other	<u>1,848</u>	<u>1,922</u>	<u>-74</u>	<u>-3.9</u>
Total – before exemptions	18,848	17,899	949	5.3
Exemptions	<u>209</u>	<u>200</u>	<u>9</u>	<u>4.0</u>
Net assessed Valuation	18,639	17,699	940	5.3

The local tax rate is the arithmetical result of applying the amount required to be raised by taxes for town, school and county purposes to the total assessment base in the town. In 1967 the rate was \$28.40 per one thousand dollars of assessed valuation, an increase of only \$.80, or 2.9% over 1966. This compares with a corresponding increase of about 16 percent in

1966 over 1965. The relatively small increase last year resulted from the fact that the growth of the town's assessment base offset the bulk of the additional revenue required to be raised from property taxes as summarized at the outset of this discussion.

With the substantial completion of the reappraisal project, it seems likely that next year the rapid increase of the property valuation base in Hopkinton during the past two years or three years may taper off somewhat. This is because we can no longer count upon adding substantially to the tax base by indentifying and assessing property not theretofore fully assessed. Nevertheless, and despite the fact that high interest rates and other economic factors have recently been discouraging new home construction over the entire country, the Selectmen issued nineteen building permits for new residences during 1967. We also issued ten additional permits for substantial remodeling projects, summer camps, garages and the like as well as twelve sign and use permits under the zoning ordinance. One permit was also issued for a commerical project. Construction and improvements made pursuant to these permits will certainly tend to bring some enlargement of the assessment base again next year. (On the other hand, it is quite possible that manufacturers stock-in-trade, which was unusually high in 1967, may well decline significantly next year, with a corresponding adverse effect on assessed valuation for such property.)

Several town construction projects were substantially completed last year. Although there remains a small amount of clean-up and final setting of drains to be finished in the spring, the new two-lane bridge over the Blackwater River on the Penacook Road has been opened for traffic. It replaces the dangerous and obsolete prior one-lane span. The new bridge was built as a Town Bridge Aid project so that the state paid forty percent of the basic construction contract. The total cost of the entire undertaking of the Town, including \$400 for acquisition of land as well as the cost of approaches, was \$37,801 of which all but \$7,800 had already been raised by taxes and paid on December 31, 1967. The Town's last note given in connection with this job and for \$7,800 has been paid since January 1, 1968.

The rather ambitious two-year TRA project to improve Sugar Hill Road, including its relocation across land formerly of Mr. Benedict and Mr. Van Dyke to eliminate a dangerous curve, was completed early in the year. Preliminary work has been started on improvement of the Penacook Road, the next proposed TRA project. The Hopkinton Village fire station is also now complete and in service, though it still remains to install final appropriate lettering over the doors.

One project which has been stalled for the past year is the proposed

parking area for the fire department behind Columbia Hall. This project, which was discussed in this report last year, has been referred to the County Commissioners for their consideration of the eminent domain proceeding which we began to acquire the necessary land when negotiations for its purchase proved useless. There is also no progress to report on the Contoocook River pollution study. This project is apparently temporarily delayed pending the availability of federal financing under the applicable federal statutes.

The Town Planning Committee has been relatively inactive this year. Since the Zoning Ordinance has now been a matter of local law for several years, perhaps it should be reexamined during 1968 to see if there are any revisions or improvements indicated in the light of our experience or the experience of other towns engaged in administration of modern zoning laws.

The 1968 Town budget includes several items which merit comment. For several years we have had a chronic shortage of highway funds while we have endeavored to hold highway appropriations substantially unchanged in the face of rising costs and more miles of road to maintain. Last year, with the additional adverse effect of winter weather continuing late into the spring and beginning comparatively early in the fall, it became evident that these appropriations must be adjusted to a more realistic basis. This has been done in the Selectmen's budget.

The police department appropriation also reflects a significant increase. The operating budget approved for this department last year was \$13,967 and this year the proposed budget for its operations is \$17,247. The major items accounting for this increase are the fact that the second man in the department will be employed for a full year during 1968 whereas last year's budget provided only for his beginning employment on April 1, or for just eight months of the year. This year's appropriation also makes increased allowance for cruiser operation expense, for radio and telephone coverage, and for additional part-time help. The Balance of the police department budget for 1968 (other than for regular operations) reflects the purchase of a used cruiser (a 1965 Plymouth which was bought after January 1 of this year), provides for turning it in late in the year for a 1968 car to be bought through State, and also provides for payment of a mileage allowance to the Chief for use of his personal car after the Town's cruiser was wrecked in an accident last fall. Against these items, which are estimated at a total of \$3,730, there are corresponding income items on the revenue side of the budget (including an insurance settlement from the insurer for the driver who damaged our old cruiser) amounting to \$3,161. Thus, the combined effect is that the difference, or about \$569, must be raised from taxes for the cruiser exchange. This amount appears to be about what the Town should henceforth

appropriate to a capital reserve each alternate year when a new cruiser is not purchased, so as to smooth out the tax burden on account of this item in the years that a new cruiser must be purchased.

The fire department operating budget shows no significant change for 1968. Provision is, however, made for contract authority for the purchase of an important new item of equipment. This is a \$20,000 tanker to carry a 1,500 gallon tank. Delivery upon this item involves a one-year delay, and we would plan that it be paid for equally in 1968 and 1969 when the town will no longer have the burden of any payments on account of the Blackwater Bridge project which involved a current tax burden of approximately \$8,000 per year for the past four years. Another budget item of interest and which perhaps should be mentioned is an increase of approximately \$780 in the insurance appropriation to be used to provide Blue Cross-Blue Shield or comparable health and accident coverage for town employees.

In accordance with the request of the advisory vote taken last year, the Selectmen have prepared the warrant for this year's Town Meeting calling for it to be convened in the Town Hall in the morning on Town Meeting Day for elections and then to recess to Wednesday evening at the High School. Unfortunately, the Town Hall Planning Committee has not been active during 1967. Our Town Hall is both a historic building and a valuable asset to all of us. It belongs to each inhabitant of Hopkinton and is the true home of the Town itself as a self-governing political body. We are therefore hopeful that during the year ahead it may be possible to develop a practical and economical plan for improving and enlarging the Town Hall auditorium and restoring its usefulness as the seat of our local government.

To all Town citizens, officers, agents and employees, we extend our thanks for cooperation cheerfully given us. We would not wish to administer the Town without it. The problems of government anywhere today, indeed, simply of routine community living, oftentimes seem overwhelming. Yet we believe the people of Hopkinton are fortunate because as we know them they have both the desire and the ability to keep our town a healthy, pleasant and attractive community. But if this is a worthwhile end, its price today, as no doubt it always has been, is surely good will towards one another, willingness to accommodate our differences, and a determination as we work together to accord to others, as well as to merit from them, confidence and respect.

DONALD N. RICE, Chairman

Each year at our annual Commissioner's Meeting, a major project is planned for the ensuing year or years. Our previously anticipated project for a Standard Playground Program has been nearly completed. New facilities have been installed during each of the past three years.

Our projected goal for this year is the construction of a regulation surfaced basketball court. Due to the cost involved of such projects, funds must be kept in reserve temporarily, hence, the higher than usual balance on hand December 31, 1967.

We greatly appreciate and welcome ideas, suggestions and comments from the people of our community. This, plus information received from State and Federal Parks and Playgrounds associations help us to determine what projects will benefit the majority of our children. The playground program was established primarily for the younger set. The basketball program is being designed for the intermediate and older boys and girls.

Respectfully Submitted,

Eldon Carruthers, Chairman

Richard Symonds

Robert Reed Jr., Treasurer

HOPKINTON VILLAGE PRECINCT REPORT OF PRECINCT COMMISSIONERS

During 1967 the total revenues of the Water Department amounted to \$7,650, an increase of approximately \$700 over the preceding year. Net income of the Water Department after all expenses including depreciation was \$1,001 as compared with \$841 in 1966. Taking into account the fact that depreciation is an item of expense which does not require any current cash outlay, the flow of funds generated from net income and depreciation was essentially the equivalent of the Department's \$4,000 amortization obligations on its outstanding debt. Although there is no surplus of cash which has yet been built up because of the heavy obligations of the Department to amortize debt, nevertheless the operation of the Department appears to be well established on a sound financial basis. The increasing revenues each year have resulted from new customers coming onto the Precinct system. As this tendency continues and the debt of the Department is paid off, operations should result in steadily increasing net income.

There was no important new construction of water works plant during 1967. A contribution was received from the Precinct in the amount of \$500 to apply against the cost of the water main extension which the Department installed to serve the new Town fire station. The contribution was in addition to an original \$900 contribution in 1966. Taking these contributions into consideration, the net cost of the project to the Department is such that revenues from customers attached should suffice to cover the Department's investment in the extension.

As a result of bond issues heretofore authorized or proposed to be authorized in the forthcoming Precinct meeting, the Water Department will have sufficient authority to finance a main extension out Route 103 toward Contoocook in the event that customers in that area should ask for service and indicate willingness to subscribe to service to a sufficient extent to make such an extension economical. There is also available sufficient borrowing power to replace any existing old main which might become unservicable during the year. Unfortunately, since replacements would not generate additional revenues, it has not been feasible from an economic standpoint to make such replacements heretofore.

The Precinct was confronted with several difficult zoning problems during 1967. One of these controversies arising from a proposed addition to the rear of the Cracker Barrel store involved proceedings in the courts which had already been commenced last year and were discussed in this report at that time. This litigation was concluded during 1967 with a judgement sustaining the Board of Adjustment of the Precinct in the variance which it had granted

to the proprietor of the Cracker Barrel. There was also an extensive proceeding during 1967 in connection with a proposed public campground to be installed on the premises of Harold Kimball between the Horseshoe Tavern cabins and Interstate Highway 89. After a hearing before the Board of Adjustment, a permit was granted for this campground, subject to a number of conditions and restrictions. The applicants for the permit, however, did not choose to proceed with the project and it appears to have been abandoned.

A special meeting of the Precinct was held on May 31, 1967 to see what arrangements might be worked out for the use of a portion of the Precinct building by the Town Police Department. An arrangement to this end was authorized by the voters of the Precinct under restrictions intended to assure the Precinct that it would recover its reasonable costs and expenses resulting from the arrangement. Up to the present time it has appeared that there are insufficient funds available for the Police Department to undertake the cost of development and maintenance of a separate police station apart from the Selectmen's office at the Town Hall which it presently uses.

The winter of 1967-68 has been unusually successful one for the public skating rink. The Precinct Commissioners wish to express their appreciation to Mr. Alfred Moody for his interest and diligence in attending to the removal of snow from the area in order to keep the rink open.

Respectfully submitted,

RAYMOND C. PROCTOR, Chairman
ANGUS P. DERRY
SPENCER A. DODD

REPORT OF THE POLICE DEPARTMENT

Addition of our second full-time officer has increased the patrol coverage of the town. While it has increased the number of court cases for motor vehicle violations, we would like to believe it has contributed to the decrease in serious crimes and accidents.

During 1967, the department has established the Contoocook Valley Animal Shelter, held the first narcotics seminar for high school students in the State, and set up a schoolboy safety patrol at the Maple Street school.

Officer Hargrove completed the State Police training school in Concord before going on duty; other officers and the Chief attended training sessions and seminars held by the FBI, the State Police, and at St. Anselm's College, on Supreme Court decisions, search and seizure, narcotics and drug abuse.

A snow-vehicle is being used to check snowbound seasonal property, and regular door-checks are made on places of business in the town. Emphasis continues on preventive law enforcement, to attempt to make the Town undesirable for the criminal element.

Youth problems continue. Chief Daniels has talked to many parents of teen-age youth, repeating the idea that knowing where their children are, and what they are doing, will solve many problems before they start. An apt quotation, from an unknown source, is "When there was a woodshed behind every New England home, most juvenile cases were settled out of court."

In 1968, I feel a great need for improved facilities — that is, a new police office. Sharing quarters with the Selectmen in the Town Hall is not satisfactory. We have not been able to interrogate criminal suspects with sufficient privacy. Talks with parents and children are interrupted by other meetings in the town hall, and cannot be private there. There are no secure facilities for storage of evidence in criminal cases. Files are exposed to casual visitors. I hope that the townspeople will support our efforts to get a better office.

To improve the willingness of the part-time officers to work when called, we are asking for an increase in wages to \$2.00 per hour. We will continue strict enforcement of motor vehicle laws. Sidewalks, primarily in Contoocook, must be improved and maintained to assure our children's safety.

Continued efforts of both the Community and the Police will, I hope, reduce accidents and adult and juvenile crime. Thanks to the residents, the

Selectmen, the Budget Committee and neighboring police departments for their help and support this past year.

RONALD D. DANIELS, JR., CHIEF OF POLICE

LOG OF THE HOPKINTON FIRE DEPARTMENT

November 1, 1966 to October 31, 1967

The Department received only 27 calls for assistance, a marked decrease of 22 over the previous year, listed as follows:

- 6 Vehicle fires
- 4 Brush fires
- 3 Flooded cellars pumped out
- 2 Chimney fires
- 1 Grass fire
- 1 Overheated furnace
- 1 Flooded oil burner
- 1 Flooded well pumped out
- 1 Burning mattress
- 1 Burning plastic toys running out of fireplace onto floor
- 1 Short circuited electric motor
- 1 Short circuited house wiring
- 1 Sprinkler system bell ringing for lack of air pressure
- 1 Stand-by for Concord Fire Department
- 1 Stand-by on Halloween

75 Ambulance runs were made, including 2 for the resuscitator. This is an increase of 7 over last year.

The first annual Fireman's Field Day was held on July 4th at George's Park, Contoocook, with an estimated 800 people attending. Teams from Hopkinton and the surrounding towns participated in tanker, hose-laying, pumper, the Department participated in musters at Henniker and Pembroke and, on each occasion, took the tanker cup. the Department participated in musters at Henniker and Penbroke and, on each occasion, took the tanker cup.

In observance of Fire Prevention Week, the Department had both stations open every morning. They took orders for new fire extinguishers, as well as recharging many others. The weeks activities were climaxed by a dance, sponsored jointly by the firemen and auxiliary. The Department participated in Fire Prevention Parades in Concord and Allenstown.

Many man hours of work went into remodelling the old storage room in the Contoocook Fire Station. The walls were insulated and panelled and a new suspended ceiling with florescent lighting was installed. New tile flooring was laid. The auxiliary bought a new gas range and refrigerator which were installed along with a new sink and cupboards.

A new communications room was built, providing an area shut off from the main garage for more efficient operation of the communications equipment.

The new station in Hopkinton Village was opened last spring, housing 4 vehicles. The Department also has a new radio base station in the Hopkinton Village Fire Station, which now gives complete radio coverage throughout the town.

TOWN AUDITORS' REPORT

This is to certify that we have examined the accounts of the Selectmen, Treasurer, Town Clerk, Tax Collector, Trustees of Trust Funds, Road Agent, Overseer of Poor, Cemetery Trustees, Library Trustees and Public Health Nursing Association as of December 31, 1967, and find them correctly cast and property vouched.

JOHN P. MCALLASTER
HENRY P. CONDON
JOHN J. MUNHALL

January 31, 1968

REPORT OF CIVIL DEFENSE

Development of the Rescue Squad was the principal project of your Civil Defense during 1967. The squad has 12 dedicated, active members who are scheduled to meet twice each month for training drills and work on the equipment.

Three major practice drills were held, to rescue a person trapped under a collapsed building, to rescue a person lost in deep snow, and water-rescue drill. The equipment has been demonstrated to the public four times in Hopkinton and once in Henniker during 1967. We were fortunate to be called out just twice during the year, once to free a suffocated accident victim from his overturned car, and once to extricate a truck snarled in guard wires. The squad stood by during power failures, serving as a communication base for the police department, and stood by at one fire and at Hopkinton Fair.

During 1968, we intend to organize other phases of Civil Defense, including emergency medical services, feeding and shelter, transportation, warning and communication. The Viet Nam war is too far away really to make the people aware of the risks of a world-wide nuclear accident. The town has very few shelter facilities against nuclear fallout, and little prospect at present of gaining more. But we can plan to use the resources we have.

It would be encouraging if a few more residents would volunteer to help plan and prepare. A blow-up in Korea or Viet Nam could come quickly, without much warning. At some time, your Civil Defense organization could be badly needed, quickly. Would you volunteer?

B. B. PAINE, CIVIL DEFENSE DIRECTOR

REPORT OF ANNUAL TOWN MEETING

March 14, 1967

Meeting was called to order at 9 o'clock in the forenoon by the Moderator, Philip Dunlap. The Warrant for the meeting was read.

Prayer was offered by Rev. Roy Leo.

Article 1: The following was offered by Jane S. Ritzman: I nominate the following Town Officers for a term of one year and move that the Clerk be instructed to cast one ballot:

Firewards: Ernest S. Archibald, Raymond C. Proctor, and Stanley L. White

Fence Viewers: Alfred N. Chandler, Roy Kimball, and Gordon Mayo.

Tree Warden: Kenneth Parker

Weigher: Horace T. Cayer

Sexton: Bernard G. Foster

Surveyors of Wood and Lumber: Stewart E. Astles, Angus P. Derry, Arthur S. Duston

Adopted in the affirmative.

Article 41: The following resolution offered by Pauline Wilder: Resolved by the town of Hopkinton, in town meeting convened, that the town accept the Cemetery Trust Fund as enumerated in the Warrant. Adopted in the affirmative.

Article 44: The following resolution offered by Rev. Roy Leo: Resolved by the town of Hopkinton, in town meeting convened, that the Trustees of Trust Funds expend the income from the G. Everett Kelley Fund for Hopkinton Free Public Library. Adopted in the affirmative.

Article 47: The following resolution offered by Shepard J. Wilder: Resolved by the town of Hopkinton, in town meeting convened, to authorize the Selectmen to distribute Inventory Blanks on or about April 5th of the next year. Adopted in the affirmative.

Article 48: The following resolution offered by Carolyn B. Wallace: Resolved by the town of Hopkinton, in town meeting convened, that the reports of the Town Officers, Trustees and Committees for 1966 be accepted as printed in the Town Report, errors and omissions excepted. Adopted in the affirmative.

The following motion was offered by Marilyn A. Tucker: I move that the Town of Hopkinton, in town meeting convened, consider action on all Articles 2 through 40 after one o'clock in the afternoon, as well as Articles 42, 43, 45, 46 and 49 after one o'clock in the afternoon. Adopted in the affirmative.

At one o'clock in the afternoon the Moderator called the meeting to order.

Article 2: The following resolution offered by F. X. Gardner: Resolved by the town of Hopkinton, in town meeting convened, that the Town hold the Annual Town Meeting at the Hopkinton High School Gymnasium at 7:00 PM beginning with the March, 1968, Town Meeting. (This Article will be taken up as the first article of business at 1 PM in the afternoon.) (This Article submitted by Petition).

Gail George offered the following Amendment: To see if the Town will vote to hold the Annual Town Meeting at the Hopkinton Town Hall at 7 PM beginning with the March 1968 Town Meeting. A voice vote was taken on the Amendment, and the Amendment was lost.

The Moderator announced that the Selectmen consulted with the Town's Council relative to this resolution, and that this vote would only show the consensus of opinion of those voting.

The Moderator called for a 'Yes' and 'No' ballot on the original resolution, with the result, 'Yes' — 175, 'No' — 40.

The original resolution was adopted in the affirmative and the Moderator stated that the Selectmen would take note of this fact in making up next years Warrant.

Article 3: The following resolution offered by R. C. Proctor: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$7,900.00 be, and is hereby raised and appropriated for Town Officers' Salaries. Adopted in the affirmative.

Article 4: The following resolution offered by Joseph Cornett: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$8,500.00 be, and is hereby raised and appropriated for Town Officers' Expenses. Adopted in the affirmative.

Resolved by the town of Hopkinton, in town meeting convened; That by rising acclamation elect Frank M. Kimball, beloved past selectman for

21 years, as Selectman Emeritus, with all rights and privileges appertaining to the said office.

Article 5: The following resolution offered by Carolyn B. Wallace: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$400.00 be, and is hereby raised and appropriated for Election and Registration. Adopted in the affirmative.

Article 6: The following resolution offered by Marilyn A. Tucker: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$4,700.00 be, and is hereby raised and appropriated for the expenses of Town Hall and other town buildings. Adopted in the affirmative.

Article 7: The following resolution offered by Margaret F. Smith: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$2,400.00 be, and is hereby raised and appropriated for Employees' Retirement and Social Security. Adopted in the affirmative.

Article 8: The following resolution offered by W. H. Rodkey: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$13,967.00 be, and is hereby raised and appropriated for the Police Department. Adopted in the affirmative.

Article 9: The following resolution offered by Samuel Reddy, Jr.: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$7,400.00 be, and is hereby raised and appropriated for the support of the Fire Department. Adopted in the affirmative.

Article 10: The following resolution offered by Thomas M. O'Donnell: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,500.00 be, and is hereby raised and appropriated for Hydrant Rental. Adopted in the affirmative.

Article 11: The following resolution offered by Alfred Chandler: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,200.00 be, and is hereby raised and appropriated for Blister Rust and Care of Trees. Adopted in the affirmative.

Article 12: The following resolution offered by J. R. Hardie: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$4,000.00 be, and is hereby raised and appropriated for Insurance. Adopted in the affirmative.

Article 13: The following resolution offered by C. F. H. Crathern: Resolved

by the town of Hopkinton, in town meeting convened that the sum of \$100.00 be, and is hereby raised and appropriated for Planning and Zoning. Adopted in the affirmative.

Article 14: The following resolution offered by Robert York: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$50.00 be, and is hereby raised and appropriated for Damage by Dogs. Adopted in the affirmative.

Article 15: The following resolution offered by S. Nelson, Jr.: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$400.00 be, and is hereby raised and appropriated for Damages and Legal Expenses. Adopted in the affirmative.

Article 16: The following resolution offered by W. Smith: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$700.00 be, and is hereby raised and appropriated for Civil Defense. Adopted in the affirmative.

Article 17: The following resolution offered by Nile E. Faust: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$6,700.00 be, and is hereby raised and appropriated for the Health Department Expenses and the Employment of a District Nurse. Adopted in the affirmative.

Article 18: The following resolution offered by Mr. Gile: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,270.00 be, and is hereby raised and appropriated for Concord Hospital. Adopted in the affirmative.

Article 19: The following resolution offered by J. Howard Lightfoot: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$560.00 be, and is hereby raised and appropriated for the Concord Mental Health Center, Inc. (This appropriation submitted without recommendation of the Budget Committee.) Adopted in the affirmative

Article 20: The following resolution offered by Mildred E. Northup: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$80.00 be, and is hereby raised and appropriated for Vital Statistics. Adopted in the affirmative.

Article 21: The following resolution offered by Catherine Caouette: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$2,200.00 be, and is hereby raised and appropriated for Town Dump.

Adopted in the affirmative.

Article 22: The following resolution offered by Edith Krzyzaniak: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$35,500.00 be, and is hereby raised and appropriated for Town Maintenance of Highways and Bridges. (\$17,500.00 — Summer Work, \$18,000.00 — Winter Work.)

Bert Geer offered the following amendment: Amend this Article by adding the following:

Providing, however, that a detailed report of expenses will be made by the Road Agent to the Selectmen for printing in the next annual Town Report,

So that the Article as amended shall read:

Resolved, by the town of Hopkinton, in town meeting convened, that the town raised and appropriated the sum of \$35,500. for Town Maintenance of Highways and Bridges, (\$17,500. — Summer Work, \$18,000 — Winter Work,) providing, however, that a detailed report of expenses will be made by the Road Agent to the Selectmen for printing in the next annual Town Report. By a voice vote the Amendment was lost. The original resolution was adopted in the affirmative.

The Selectmen on behalf of the Town of Hopkinton, want to acknowledge former Selectman, James A. Weast, for attending 50 consecutive Town Meetings and his long years of civic interest.

Article 23: The following resolution offered by Hilda Conant: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$250.00 be, and is hereby raised and appropriated for Street Lighting. Adopted in the affirmative.

Article 24: The following resolution offered by Katherine Lawson: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$5,200.00 be, and is hereby raised and appropriated for General Expenses of the Highway Department. Adopted in the Affirmative.

Article 25: The following resolution offered by Dorothy M. Irvine: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,487.54 be, and is hereby raised and appropriated for Town Road Aid, the State to contribute \$9,916.92. Adopted in the affirmative.

Article 26: The following resolution offered by Dorothy Clark: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$5,642.00 be, and is hereby raised and appropriated for Hopkinton Free Public Libraries. Adopted in the affirmative.

Article 27: The following resolution offered by Rita V. Stevens: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,800.00 be, and is hereby raised for Town Poor. Adopted in the affirmative.

The Selectmen on behalf of the town of Hopkinton, would like to acknowledge Mrs. Jessie H. Brown for having served as an Election Official for 35 years consecutively. They wish to thank her and express appreciation for this record of service.

Article 28: The following resolution offered by W. Rodkey: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$3,000.00 be, and is hereby raised and appropriated for Old Age Assistance. Adopted in the affirmative.

Article 29: The following resolution offered by Lester Townes: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$300.00 be, and is hereby raised and appropriated for Memorial Day.

The following Amendment was offered by Dorothy Clark: Amend this Article by striking out the amount of \$300.00 and in place thereof, insert the amount of \$400.00; \$200.00 to go to the Hopkinton & Contoocook Band, and the balance for the other expenses involved for Memorial Day purposes, so that the Article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$400.00 be, and is hereby raised and appropriated for Memorial Day; \$200.00 to go to the Hopkinton & Contoocook Band and the balance for the other expenses involved for Memorial Day purposes. The Amendment was adopted in the affirmative.

Article 30: The following resolution offered by Fred Roberts: Resolved by the town of Hopkinton in town meeting convened, that the sum of \$300.00 be, and is hereby raised and appropriated for Parks and Playgrounds. Adopted in the affirmative.

Article 31: The following resolution offered by George Fitts: Resolved by the town of Hopkinton in town meeting convened that the sum of \$3,000.00 be and is hereby raised and appropriated for the operation of Elm Brook

Park, the sum to be expended under the supervision of the Selectmen. (This Article submitted by petition and without recommendation of the Budget Committee). The Article defeated by a voice vote.

Article 32: The following resolution offered by Arthur Duston: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$3,200.00 be, and is hereby raised and appropriated for the support of Cemeteries. Adopted in the affirmative.

Article 33: The following resolution offered by Les Eaton: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$125.00 be, and is hereby raised and appropriated for Advertising and Regional Associations. Adopted in the affirmative.

Article 34: The following resolution offered by John R. Caouette: Resolved by the town of Hopkinton, in town meeting convened that the sum of \$1,000.00 be, and is hereby raised and appropriated for interest on Temporary Loans. Adopted in the affirmative.

Article 35: The following resolution offered by Samuel Reddy, Jr.: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,200.00 be, and is hereby raised and appropriated for interest on Long Term Notes. Adopted in the affirmative.

Article 36: The following resolution offered by Thomas M. Degnon: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$3,000.00 be, and is hereby raised and appropriated for Town Construction and Permanent Improvements of Roads and Bridges. Adopted in the affirmative.

Article 37: The following resolution offered by Charles Crathern: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$1,000.00 be, and is hereby raised and appropriated for Sidewalk Construction. Adopted in the affirmative.

Article 38: The following resolution offered by Edward Leadbeater: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$600.00 be, and is hereby raised and appropriated for a Capital Reserve Fund for the replacement of the ambulance. Adopted in the affirmative.

Article 39: The following resolution offered by John H. Howe: Resolved by the town of Hopkinton, in town meeting convened, that the sum of \$400.00 be, and is hereby raised and appropriated for a Capital Reserve Fund for the replacement of a Police Cruiser. Adopted in the affirmative.

Article 40: The following resolution offered by Barbara Ellsworth: Resolved by the town of Hopkinton, in town meeting convened, that the Selectmen be instructed to have the road paved from the home of Lorne Ford to Spring Street Extension, and from the home of Virgil Morey to the Warner Town Line. (This article submitted by petition.)

Amendment offered by F. X. Gardner: Amend this Article by adding the following: 'That the expenses incurred under Article 40 be a charge against the appropriation under Article 36, so that the Article as amended shall read:

Resolved by the town of Hopkinton, in town meeting convened, that the Selectmen be instructed to have the road paved from the home of Lorne Ford to Spring Street Extension and from the home of Virgil Morey to the Warner town line, and that the expenses incurred under Article 40 be a charge against the appropriation under Article 36. By a voice vote the amendment was lost.

Amendment offered by Edward Leadbeater: Amend said Resolution by striking out the whole thereof, and in place thereof insert the following:

Resolved by the town of Hopkinton, in town meeting convened, that the Town Road Committee be instructed to consider paving and necessary repairs of the road from the home of Lorne Ford to Spring Street Extension, and from the home of Virgil Morey to the Warner Town Line. This amendment was adopted in the affirmative.

Article 42: The following resolution offered by Derek Owen: Resolved by the town of Hopkinton, in town meeting convened, that the Town accept \$2,000.00 from the Contoocook, New Hampshire, Fire Precinct, plus interest to date, to be held by the Trustees of Trust Funds in a Capital Reserve Fund. Adopted in the affirmative.

Article 43: The following resolution offered by Samuel Reddy: Resolved by the town of Hopkinton, in town meeting convened, that the Town accept the sum of \$20.00 added to the Helping Hand Fund during 1966 in memory of William Montgomery, Carl Rice, Freeman C. Duston and Miriam C. Emerson. Adopted in the affirmative.

Article 45: The following resolution offered by Patricia Bass: Resolved by the town of Hopkinton, in town meeting convened, to establish a Town Conservation Commission as set forth in RSA 36-A. Adopted in the affirmative.

Article 46: The following resolution offered by Edward Leadbeater: Resolved by the town of Hopkinton, in town meeting convened, to authorize the Selectmen to borrow money in anticipation of the 1967 Tax Levy. Adopted in the affirmative.

The business meeting recessed at 3:40 P.M.

The Moderator closed the polls at 6 o'clock P.M.

After the ballots were counted, the Moderator declared as follows:
Total Ballots received from printers: 1843, Total Ballots cast: 1006.

SCHOOL WARRANT

To the Inhabitants of the school district in the town of Hopkinton qualified to vote in district affairs:

You are notified to meet at the Hopkinton High School Gymnasium on Saturday, the 16th day of March, at 3:00 o'clock in the afternoon to act upon the following subjects:

1. To choose agents, auditors or committees in relation to any subject embraced in this Warrant.

2. To see if the district will authorize the school board to make application for and accept on behalf of the district, any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1968-69.

3. To see if the district will vote to accept a bequest from Miss Jessie Gould in the amount of \$4,500.00 for library purposes in the schools (1M each elementary, 1M Jr. High School and 1.5M Senior High Schools) and to determine whether such shall be used to establish a trust fund in her name for the above purpose, or that it be expended over a period of time at the discretion of the School Board or to take any other action thereon.

4. To see what sum of money the district will raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for payment of the statutory obligations of the district.

5. To see if the district will raise and appropriate the sum of one thousand one hundred and eighty five dollars (\$1,185.00) as its share of financial support for the development of curriculum. Submitted without recommendations by the Budget Committee.

6. To hear the reports of agents, auditors, committees and officers chosen and to take any action relating thereto.

7. To hear the report of the Building Committee.

8. To vote by ballot upon the adoption of the following resolutions, after reasonable opportunity for discussion:

A. Resolved that the district appropriate the sum of \$480,000.00 for constructing and originally equipping and furnishing additions and permanent improvements to the present High School at Contoocook in accordance with recommendations of the Building Committee, and raise this appropriation by authorizing the School Board to borrow \$480,000.00 under the Municipal

Finance Act, and, in addition to the foregoing appropriation, authorize the School Board to apply toward the cost of the project any available state or federal funds according to the terms under which they are received as well as any interest received.

B. Resolved that the district appropriate the sum of \$65,000.00 for constructing and originally equipping and furnishing additions and permanent improvements to the elementary school buildings in Hopkinton Village and Contoocook in accordance with recommendations of the Building Committee, and raise this appropriation by authorizing the School Board to borrow \$65,000.00 under the Municipal Finance Act, and, in addition to the foregoing appropriation, authorize the School Board to apply toward the cost of the project any available state or federal funds according to the terms under which they are received as well as any interest received.

9. To transact any other business that may legally come before said meeting.

Given under our hands at said Hopkinton this twenty-first day of February, 1968.

HOPKINTON SCHOOL DISTRICT

Report of Special School Meeting

February 27, 1967

The Special Hopkinton School District Meeting was held at the Hopkinton High School Auditorium February 27, 1967.

The meeting was called to order at 7:35 P.M. by the Moderator, Thomas Walz.

An attested copy of the School Warrant was read by the Moderator.
Article 1

Shall the school district accept the provisions of R.S.A. 195 (as amended) providing for the establishment of a cooperative school district together with the school districts of HENNIKER, HILLSBORO-DEERING, AND WEARE in accordance with the provisions of the proposed articles of agreement filed with the school district clerk?

The Chair recognized James Yeager, a member of the School Board, who gave a brief report concerning the proposed Cooperative.

A discussion period followed.

A ballot vote was taken with the use of the checklist. Supervisors were present during the balloting.

The Moderator declared the polls remain open until 11:00 A.M.

The Moderator declared the polls closed at 11:00 P.M. and announced the following results:

Total ballots printed	1345
Total Ballots cast	782
Yes Ballots	372
No Ballots	408
Disqualified	2

The motion to adopt the articles was declared by the Moderator to have been lost.

On a motion by Shepard Wilder, duly seconded, the meeting adjourned at 11:50 P.M.

Respectively submitted

NEOLA CRATHERN, Clerk
THOMAS C. WALZ, Moderator

HOPKINTON SCHOOL DISTRICT

Report of Annual School Meeting

March 14, 1967

The annual meeting of the Hopkinton School District was held in the Town Hall, Hopkinton, New Hampshire, March 14, 1967.

The meeting was called to order at 8:55 A.M. by the Moderator, Thomas C. Walz.

Rev. Calvin Warburton said the blessing.

An attested copy of the School Warrant was read by the Moderator.

Article 1

The Moderator declared the polls open from 9:00 A.M. to 6:00 P.M. for the election of a Moderator, a Clerk, a Treasurer, and a Member of the School Board for three years.

Article 2

Francis Gardner offered the following resolution and moved its adoption:

I move that the Hopkinton School District meeting shall recess and shall reconvene on Wednesday, March 15, 1967 at 8:00 P.M. at the Hopkinton High School.

Mr. Ransmeier offered an amendment to the resolution to strike out 8:00 P.M. and in its place insert 7:30 P.M. This was seconded by Mr. Faust. The amendment was withdrawn by Mr. Ransmeier and Mr. Faust after some discussion.

The original resolution was adopted in the affirmative.

The annual meeting reconvened at Hopkinton High School Auditorium at 8:00 P.M. on March 15, 1967 with Thomas C. Walz as Moderator.

Prayer was offered by Rev. Roy Leo.

After calling the meeting to order, the Moderator declared the school officers elected, and the following business was transacted.

Richard Gourley offered the following resolution and moved its adoption:

I move that Article 9 be taken up out of order prior to Article 3. The motion was seconded by Lawrence Roth.

The motion was adopted in the affirmative.

Article 9

Samuel Reddy offered the following resolution and moved its adoption:

Resolved that the Hopkinton School District in School Meeting convened authorize the creation of a Cooperative School District Planning Committee of three persons, including at least one member of the School Board, to study the feasibility of the Hopkinton School District becoming a member of a Cooperative School District and report to the next annual meeting: such committee to have all the powers of a planning committee under state law: and to have the Moderator appoint three persons for this committee.

The motion was seconded by Francis Gardner.

The School Board Member James Yeager gave an explanation of the insertion of this article in the Warrant, and recommended its rejection.

The resolution was defeated.

Article 3, Motion 1

John M. Blackford, Chairman of the Building Committee presented the report of the Building Committee. Messrs. Bowen, Pratt and Holmes presented reports of their respective sub-committees.

John M. Blackford offered the following resolution and moved its adoption:

Resolved that the Hopkinton School District, In School Meeting convened, accept the report of the Building Committee and that a ballot vote be taken.

The resolution was seconded by Mrs. Merrill.

Mr. Lawrence Roth offered the following amendment to the original resolution and moved its adoption:

I move that the resolution be amended by striking out the whole thereof and substituting in its place the following:

Resolved: That the Report of the Building Committee be placed upon file, and that the School Board be instructed immediately to appoint a further building committee which shall be authorized and directed to proceed immediately, making such use of the Building Committee plans as it may deem appropriate, to prepare modified alternative plans for physical improvements to Hopkinton High School which shall be designed to accomplish the major educational objectives sought by the Building Com-

mittee plans but shall be estimated to cost not in excess of \$400,000, that such new building committee shall report its recommended modified plans back to the School District not later than June 15, 1967, that such report shall be accompanied by a request for an appropriation and authority to incur indebtedness in order to permit the financing and execution of such modified project; and further that the School District finds that the initiation of construction to accomplish such modified plans at the earliest possible time is essential to the educational well-being of the children of Hopkinton School System.

The amendment was seconded by Shepard Wilder.

The Chair called a five minute recess after Mr. Roth and Mr. Wilder withdrew their resolution.

Mr. Clifford Sharpe read a ruling by Judge Robert F. Griffith, Presiding Justice of the Superior Court of Merrimack County, which said a special meeting of the Hopkinton School District to authorize the raising and appropriation of money could be held on or before April 30, 1967 provided the motion on the floor was adopted in the affirmative.

After some discussion a "yes" — "no" ballot vote was taken on the original motion. Yes — 328, No — 252.

The resolution was adopted in the affirmative.

Article 3, Motion 2

Roy Cluff, Jr. Offered the following resolution and moved its adoption:

Resolved that the Hopkinton School District in school meeting convened, accept the reports of agents and auditors as printed in the Town Report, errors and omission accepted.

The resolution was seconded by Mr. Roth.

The resolution was adopted in the affirmative.

Article 4

Harry N. Walls offered the following resolution and moved its adoption:

Resolved that the Hopkinton School District in school meeting convened, elect the town auditors of the School District.

The resolution was seconded by Derek Owen.

The resolution was adopted in the affirmative.

Article 5

Mrs. Ruth Allen offered the following resolution and moved its adoption:

Resolved that the Hopkinton School District in School Meeting convened adopt the provisions of the proposed Teacher's Salary Schedule as published in the Town Report.

The resolution was seconded by Lawrence Roth.

Mr. Samuel Reddy read a report of the Committee of Townspeople whose Chairman, Donald Lane, was absent from the meeting. Mr. Reddy introduced the members of the committee.

The resolution was adopted in the affirmative.

Article 6

Philip Dunlap offered the following resolution and moved its adoption:

Resolved that the Hopkinton School District in School Meeting convened raise and appropriate the sum of \$469,832.40 for the support of schools, for the payment of salaries of school district officials, agents and employees and for the payment of the statutory obligations of the district, and authorize the application against said appropriations of such sums as may be received from any state or federal program for the support of public education, together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation which balance is to be raised by taxes by the town.

The resolution was seconded by John Ball.

The resolution was adopted in the affirmative.

Article 7

Dr. Philip Martin offered the following resolution and moved its adoption:

Resolved that the Hopkinton School District in School Meeting convened raise and appropriate the sum of \$1,000.00 as a contingency fund for the 1967-68 school year.

The resolution was seconded by Clifford Sharpe.

The resolution was adopted in the affirmative.

Article 8

Mr. Floyd Bernier offered the following resolution and moved its adoption:

Resolved that the Hopkinton School District in School Meeting convened authorize the School Board to make application for and to receive in the name of the district such advances, grants-in-aid of other funds for educational purposes as many now or hereinafter be forthcoming from the U. S. Government and/or State agencies.

The resolution was seconded by Richard Gourley.

The resolution was adopted in the affirmative.

The meeting was open for further business.

John Ball expressed his thanks and appreciation for the help he has received during the years he was a member of the School Board.

Allen Lewis made a motion that John Ball and Thomas Walz be commended for their service to the School District.

The Moderator declared the meeting adjourned at 10:42 P.M.

Respectively submitted

NEOLA CRATHERN, Clerk
THOMAS C. WALZ, Moderator

HOPKINTON SCHOOL DISTRICT

Report of Special School Meeting April 3, 1967

The Special Meeting of the Hopkinton School District was held at the Hopkinton High School Auditorium April 3, 1967.

The meeting was called to order at 8:05 P.M. by the Moderator, Richard Brunel.

Prayer was offered by Rev. Calvin Warburton.

An attested copy of the School Warrant was read by the Moderator.

1. To see if the District will vote to appropriate the sum of \$625,000 for constructing and originally equipping and furnishing additions and improvements to the present High School at Contoocook and to determine whether such appropriation shall be raised by borrowing, by taxation, by transfer from available funds, or by any combination of these methods, and to take any other action in relation thereto.

The following report of the Budget Committee was read by the Moderator.

“At the request of the School Board, the Budget Committee, with nine members present, met on March 22, 1967, to consider action on the Warrant for the Hopkinton School District Meeting to be held on April 3, 1967.

Upon motion, duly seconded, it was voted to approve a \$570,000.00 bond issue to carry out the plan of the Building Committee.”

John Blackford offered the following resolution and moved its adoption.

Resolved that the District appropriate the sum of \$625,000 for construction and originally equipping and furnishing additions and improvements to the present High School at Contoocook; and that to raise this appropriation the School Board be authorized to borrow \$625,000 under the Municipal Finance Act; and that the School Board be authorized to take all action necessary to carry out the project.

The resolution was seconded by Lloyd Holmes.

School Board Member Clifford Sharpe gave a brief summary of the Building Committee's report and urged a vote in the affirmative for the bond issue.

Shepard Wilder made the following motion.

I move that the Resolution be amended by striking out the sum of \$625,000 and inserting in the place thereof \$525,000 so that the Resolution as amended shall read:

Resolved that the District appropriate the sum of \$525,000 for construction and originally equipping and furnishing additions and improvements to the present High School at Contoocook, and that to raise this appropriation the School Board be authorized to borrow \$525,000 under the Municipal Finance Act; and that the School Board be authorized to take all action necessary to carry out the project.

The motion was seconded by Richard Gourley.

After discussion a voice vote was taken on the amendment.

The amendment was defeated.

A ballot vote was taken on the original Resolution with the use of the checklist.

Total ballots cast	626
Yes	283
No	343

The Resolution was declared defeated.

The Moderator declared the meeting adjourned at 11:15 P.M.

NEOLA CRATHERN, Clerk
RICHARD A. BRUNEL, Moderator

HOPKINTON SCHOOL DISTRICT

Report of Special School Meeting
April 29, 1967

The Special Hopkinton School District Meeting was held at the Hopkinton High School Auditorium April 29, 1967.

The meeting was called to order at 3:00 P.M. by the Moderator, Richard Brunel.

Prayer was offered by Rev. Ardon Roark.

An attested copy of the School Warrant was read by the Moderator:

Article 1

To see if the School District will vote to authorize the creation of a School Building Committee to prepare new plans for an addition to Hopkinton High School, the Committee to make use of all prior reports, plans, studies and recommendations bearing upon the matter, and to report back to the District with its recommendations and request for appropriation and bond issue, after such preliminary informational hearings as it may consider proper, not later than the next annual meeting of the District in March 1968, and the Committee to consist of seven members to be appointed by the Moderator.

Article 2

Shall the School District accept the provisions of R. S. A. 195 (as amended) providing for the establishment of a cooperative school district together with the school districts of Henniker, Hillsboro-Deering, and Weare in accordance with the provisions of the proposed articles of agreement filed with the school district clerk: thereby rescinding and repealing any and all inconsistent action taken at the special meeting on February 27, 1967.

Mr. Edward Leadbeater offered the following resolution and moved its adoption:

To see if the School District will vote to authorize the creation of a School Building Committee to prepare new plans for an addition to Hopkinton High School, the Committee to make use of all prior reports, plans, studies and recommendations bearing upon the matter, and to report back to the District with its recommendations and request for appropriation and bond issue, after such preliminary informational hearings as it may consider proper, not later than the next annual meeting of the District in March 1968, and the Committee to consist of seven members to be appointed by the Moderator;

provided, however, that any action taken on this article shall be null and void if the District shall act on Article Two of the Warrant in the affirmative.

The resolution was seconded by Steven Winship and was adopted in the affirmative.

Mr. Spencer Dodd offered the following resolution and moved its adoption:

Resolved: that the School District accept the provisions of R. S. A. 195 (as amended), providing for the establishment of a cooperative school district, together with the School Districts of Henniker, Hillsboro-Deering and Weare in accordance with the provisions of the proposed articles of agreement filed with the School District Clerk; thereby rescinding and repealing any and all inconsistent action taken at the special meeting on February 27, 1967.

The resolution was seconded by James Yeager.

Prof. W. W. Smith gave a brief report expressing the viewpoints of those who were not in favor of a cooperative school and urged a vote in the negative.

Mr. Richard Gourley moved the question at this time. The Moderator ruled there had been sufficient discussion of the Warrant and asked if anyone questioned his ruling. After his ruling was questioned from the floor, the Moderator asked for a vote and his ruling was voted in the affirmative.

The Moderator declared the polls would remain open until 8:00 P.M.

Voting began at 3:30 P.M.

A ballot vote was taken with the use of the check list. Supervisors were present during the balloting.

The Moderator declared the polls closed at 8:00 P.M. and announced the following results:

Total ballots printed	1812	Yes ballots	566
Total ballots cast	1306	No ballots	740

The motion to adopt the articles for establishment of a cooperative school was declared to have been defeated by the Moderator.

The meeting adjourned at 9:45 P.M.

REPORT OF HOPKINTON ELEMENTARY SCHOOLS

Malcolm A. Merrill, Principal

This is my initial report to the community as principal of Hopkinton Elementary Schools. I intend to restrict my comments to two basic areas: recent accomplishments in the elementary program, and need for improvement, both immediate and future, as I see them.

Within the past four years, through a carefully phased plan, we have updated our program in the areas of Science, Mathematics, Music and English Language.

Since 1965 we have added structured and supervised programs in handwriting and art. In the fall of 1967, utilizing our high school physical education instructors, we have instituted a very limited physical education program. The possibilities for expansion of this program seem particularly remote at this time due to the impracticality of constantly moving chairs and tables in the cafeterias to prepare for physical education instruction, and immediately replacing them in preparation for hot lunch.

In the summer of 1968 we are proposing an intensive study of the social studies curriculum, grades 1 — 12 in Supervisory Union 24, and have asked the School Board to place an article in the school warrant to help support the cost of this study. If the proposal materializes we anticipate a carefully organized, well structured curriculum, developed by some of our most competent teachers. Such a program should provide much needed revision of the entire social studies curriculum and produce a continuity which we presently do not have.

The Hopkinton School Board, becoming increasingly aware of the importance of the maturity concept in regard to a child's adjustment to his first year at school, recently voted to adopt an October 1 school entrance age deadline in lieu of the presently existing December 31 standard. Effective in September, 1969, an entering first grade pupil will be 6 years of age by October 1 rather than December 31 as is presently the case.

Within the near future, I anticipate a demand by Hopkinton residents for a public school kindergarten program. Our private kindergartens provide valuable pre-school opportunities for a limited number of pupils, but many children in the community are left without the possibility of this educational experience. I also anticipate the demand for a remedial program, especially in reading, and a special class offering under the tutelage of a highly trained teacher to meet the needs of those pupils in our community who gain so little from our conventional curricular offerings.

At some future time, I envision a restructuring of our educational philosophy, facilities, and curriculum to make possible the investigation and probable adoption of tested and proven innovations such as the ungraded primary concept, teach teaching, and partial departmentalization within the intermediate grades.

Education in today's community must evidence continual progress. Although educational change may be gradual, oftentimes desirably so, it must be constant. To become complacent, even for one year, in a society which is itself changing so radically, is essentially to regress. Change must be predicated on need. Recognition of a community's educational needs must be followed by intensive research, exhaustive study, careful planning, necessary modifications, and constant evaluation. The educator's task is to anticipate the need. The community must help us to effect the change.

There were 43 graduates in the class of 1967. Of these, 34.9% are attending four year colleges and 18.6% are attending institutions for one to three years of education. This makes a total of 53.9% of the class going on to further their education. Among the institutions are Simmons, Wesleyan, U.N.H., Plymouth, Keene, University of Michigan, King's College, Wilfred Academy, N.H. College of Accounting, Franklin Institute, Harcum Junior College, St. Louis School of Nursing, N.H. School of Nursing, Thompson School (U.N.H.), N.H. Technical Institute, and Embry Riddle Aeronautical Institute.

There were three new faculty members when school opened in September, 1967. These were Mr. Kenneth Smith – French; Mr. Rufus Stacey – Chemistry and Physics; and Mr. John Levett – Science and Mathematics.

We are constantly searching for ways to improve our educational system. This year we have spent considerable time examining methods of grading. This summer we hope to participate in a project which will thoroughly examine all aspects of the social studies curriculum and which will see a curriculum guide

aspects of the social studies curriculum and which will see a curriculum guide for grades one to twelve emerge. New approaches to the teaching of subject matter are constantly being evaluated and their use observed in other schools. Methods which seem to offer a better means of obtaining desired results will be adapted to our situation. The use of the computer in the educational field has opened up new avenues. In the not too distant future, it may be worthwhile for Hopkinton High School to tie into the computer center at Dartmouth College, as many high schools in the state are doing.

Finally, I would like to commend a hard-working building committee that will present a plan for an addition to Hopkinton High School which will adequately meet the objections that have been raised by the State Department of Education.

WILLIAM H. MILNE, Principal

Superintendent of Schools

SUPERINTENDENT'S MESSAGE

The nature of my report over the past few years has changed to a considerable extent from reporting past events to an attempt to inform the public of changes to be expected at the three governmental levels as they pertained to education. In this, my fourteenth report to some of the districts in the Union and my first to Hopkinton and Henniker, it is my intention to present for your consideration some new thinking in financial support theory and the impending growth of relatively new educational practices.

For some time I have contended that the New Hampshire Foundation Aid formula was not a good one because it was based on real estate determining the wealth of the community. This was probably good thinking fifty or sixty years ago, but today personal wealth and income would be a more valid criteria. However, the State of New Hampshire with its antiquated tax structure has no alternative but to place the burden of continually rising school cost on the real estate owner. There is some question in my mind as to the local communities ability to continue to meet the financial demands for public school education. It would appear obvious that we are fast reaching a point where communities are going to establish a mills tax for educational purposes and say to the school boards, "This is the amount of money you will get; as the tax base increases, so will your income, but you will have to operate within this amount regardless of what it does to your program." Such drastic action will not appeal to many, but now comes Finis E. Engleman, one of the most experienced and respected educators in the country, with a relative new theory for financing public schools in the United States. He says:

Public education in the United States is being crippled and pauperized by a philosophy long since obsolete — and growing more so every day. This philosophy says: Public education should be financed primarily by local taxation, with supplementary aid from the State and token assistance from the federal government.

Wealth fled the grasp of the local tax collector. Old tax structures, old sources of revenue became inadequate unfair and outmoded.

He proposed a completely different hypothesis from which, at first blush, you will probably reject with horror. It is this: "The federal government should assume primary responsibility for providing public school revenues, with local and State sources providing supplementary and categorial aid."

The responsibility for education will remain at its present source, the difference being that the federal government, with its tax receipts growing as does the gross national product, will distribute a portion of its tax money

where the children go to school.

Such a possibility makes sense when one views the following facts: In 1940 only \$4.9 billion was collected in Washington. By 1961, however, the sum has risen to \$77.5 billion, or nearly 16 times the amount 21 years before. By 1963 it had again jumped to \$86.8 billion. This is why such a possibility makes sense: with no tax increase, nearly \$5 billion in new money has been realized annually.

Such thinking is something to become excited about and at this point, the only possibility, that I am aware of, that will provide real estate tax relief.

I don't believe it is generally recognized the extent that change is taking place in education today. Following is an attempt to explain some of these changes that you may be facing.

1. The growing militancy of teachers is just getting off the ground in New Hampshire. In the next few years you will be astounded by the requests from this group. This really should not come as a surprise to you because the salaries which are being offered to these college graduates has been falling farther and farther behind those who choose to enter industry. The teachers have begged their cause for a long time and are now turning to union tactics to satisfy their desires. New Hampshire Teachers have read of the success of the city teachers in their endeavors last fall and you will soon be receiving their message "Loud & Clear".

2. A few short years ago (1962 to be exact) the implementation of the Secondary School Standards raised the eyebrows of many citizens when it required a school library in every secondary school in the State. In 1966 the new, "Elementary Guidelines for New Hampshire", recommended a library for every elementary school. Most districts are hard at work trying to build up these facilities and now we find ourselves hit with new thinking of this area. It will no longer be a library but an Instructional Materials Center. Perhaps you don't have much in the way of equipment along these lines at the present, but in the next few years the requests for such will be substantial. What is it all about? Just this: Our electronics wizards have come up with some teaching machines such as the opaque projector, the overhead projector, several kinds of reading machines including micro-film readers and others too numerous to mention. These machines have merit and are extremely helpful teacher's aids. The cost of the machines will be substantial but the procurement of film, tapes, transparencies and the like will tend to be a sizable budget item. However, this is progress and we must keep up with it.

The merging of some of our electronic companies with textbook

publishing companies was not done merely to diversify the products of any particular company. Both groups could visualize the possibility of developing some learning techniques that had not been contemplated before. A few instruments have been produced and are in the trial period right now and it will be very interesting indeed to see their contribution to the Instructional Materials Center a few years from now.

3. Last February, at Atlantic City, I made a little speech at a banquet given by the Milton Bradley Company for present and former New Hampshire Superintendents. In it, I made the remark that this was a "red letter" day for the company inasmuch as its stock had reached a new high of 23 5/8 that day. Today the same stock was quoted at 58 on the New York Stock Exchange and it is rumored that there will soon be a 2 for 1 split. This phenomenal growth is no accident. This company has always been the largest manufacturer of educational games and is now reaping its reward for its leadership in the field. Educators are beginning to find that by employing the use of these games that they are able to motivate pupils with whom they had had a difficult time by using traditional teaching methods. Some of these games are simple and inexpensive; some are sophisticated and costly. The idea has caught on and more manufacturers are entering the field. It will be interesting, five years from now to see what impact games will have in the total instructional program. Do not become disturbed when you visit school and find this teaching technique being employed to a considerable extent — you can be assured that learning is taking place.

It was naturally a great disappointment to me too that the various cooperative programs were rejected by the voters in the various districts because I sincerely feel that the merits of the small educational units no longer exist. However, decisions have been made and it is assured that the efforts of this office will be to provide the very best of educational opportunities under the existing organizational structure.

This office is pleased to welcome Hopkinton and Henniker to Supervisory Union No. 24. Because of the addition of an Assistant Superintendent, we think we are providing services to the districts and facilities which was not possible before. We hope that the citizens of these communities will feel free to contact us if there is any information or service we can provide for them.

Respectfully submitted,

Norman R. Hartfiel
Superintendent of Schools

ASSISTANT SUPERINTENDENT'S MESSAGE

Keeping a school system in step with the times is the most perplexing problem facing many communities today. Because of our rapidly expanding knowledge of how children learn, the development of new and sometimes more efficient learning materials and the ever increasing body of knowledge available to us, every school system has become confronted with the need to make some rather vital school decisions. Involved is the task of translating all of this business of change into a practical school program, at a reasonable cost, that will fulfill the community's responsibility to its young people. This is a rather monumental concern. It calls upon those of us working in the schools to constantly investigate the new developments in education in relation to their value in themselves and to our school program. It calls for greater school and community cooperation in exploring and developing the means to keep the school system up to date and effective. And, indeed, the most important is the challenge placed upon us to provide for each child the opportunity for an education that will hold him in good stead for whatever his needs may be no matter where he may eventually reside.

In keeping with the theme in the first paragraph, many of our activities both present and future have been directed towards strengthening and improving the educational opportunity for your children. Listed and described below are some of the activities we feel are leading us towards the above goal.

CURRICULUM DEVELOPMENT AND COORDINATION - PROJECT CAPE

The basis of a good portion of the school program is the curriculum. It is the sum total of all the experiences which we hope to provide the child while in school. If we are to make these experiences meaningful and lasting then it is absolutely imperative that we strive to keep our curriculum up to date. We are working at this in two ways. One has been through the principals working with their teachers by departments and grades to discuss mutual problems and to work to develop programs that do the things we expect of them.

The second, and our major effort in this area, will be the development of detailed curriculum guides that will lay out the entire program in a subject area from grade one through grade twelve. What we are after is to make learning a continuous process from the time a child enters school until the time he graduates. We will strive not only for subject matter, but will also work to achieve closer coordination among teachers, grade levels and schools in a program that will work for common goals, utilize uniform teaching methods, realize that children do not all learn at the same rate of speed and

will call for teachers at one level to know what the child has had at the level preceding. This is an ambitious project. It will call for the employment of teachers to work in an intensive manner during a six weeks session in the summer writing such a guide. Each succeeding summer it is hoped, will be devoted to a different area of the curriculum so that over a period of time we will have covered the entire curriculum. Included will be plans to put these guides to work, to check on their usefulness and to keep them up to date. At the same time the guides will encourage initiative and flexibility on the part of the teacher in using them.

After many meetings and work sessions with the principals of the schools in Henniker, Hillsboro-Deering and Hopkinton the initial phases of this project have taken shape. Since the world seems to thrive on abbreviations, our project has assumed the name CAPE (Curriculum Articulation for Progress in Education) which should cover the subject quite well. CAPE is a locally initiated and controlled program, and is developed for the benefit of your children.

As with any undertaking of this nature it costs money. We are requesting the financial support of each school district in this endeavor. This is one of the most positive ways we know of to tie together in a common effort all parts of our school system. Your support will help provide the incentive for achieving successful completion of this project.

IN-SERVICE EDUCATION

As an integral part of our overall plan to improve the educational opportunities for all students a number of programs have been presented or are in the planning stage. Through joint Elementary-High School Faculty Meetings such topics as marking, course objectives, psychological needs of children and discussions with reading consultants have been held. Future plans include curriculum review sessions and workshops in reading, math and the disadvantaged child. The intent of these programs is to bring to our teachers the opportunity to explore new ideas with their colleagues at other levels, to participate in an exchange of ideas and to make available things that might be of some value in the classroom.

Closely related to this is the plan to offer college extension courses in the area. Although our first effort was not overly successful, it is felt that with more planning we will be able to provide some practical courses for our teachers and others who may have an interest.

CLASSROOM SUPERVISION

As is the case with curriculum and in-service education, working with

teachers in classroom instruction is a means to improving the quality of education. It is our thought that through a good program of classroom supervision we can do much in assisting our teachers in their efforts in the classroom. Obviously, no amount of curriculum planning or in-service work is going to mean much if it is not used in our work with students.

In a cooperative effort with the school principals we are embarking on a program that will call for increased classroom visitations and provided for a closer working relationship with our teachers. Hopefully, we will arrive at a point where the old image of supervision (sometimes called "snooping") can be replaced with the feeling that it is a sincere attempt to be of greater service to them.

FEDERAL PROGRAMS

Because of the availability of federal funds we have been able to purchase materials and provide services that heretofore either came out of district funds or were not available at all.

Through Title III of the National Defense Education Act we have purchased audio-visual equipment, and various other items for use in nearly all aspects of our program.

Through Title II of the Elementary-Secondary Education Act we have been able to add books and other resource materials to our libraries.

Title I is now providing a remedial reading program in Henniker, Speech Therapy in Bennington and Hopkinton, and will support Summer School Programs in reading and math for Hopkinton, Bennington and Hillsboro-Deering. There is little doubt that each program has contributed immensely to our education opportunities.

Even though we feel that much of what we are doing will help keep up with present day demands, we must avoid the pitfall of complacency and self satisfaction. Any action we take for our schools now must be viewed not only in terms of purely local situations or the satisfaction of an immediate need, but must take into strict account its implications for the future. Already we see these ideas rapidly approaching:

Many of our present physical facilities lack the flexibility for new instructional methods that will no doubt become a by-word in the very near future.

Our libraries, rather than serve simply as a depository for books, will

take on a new look. Students will be using many other sources to find information. Research materials will also be in the form of tapes, recordings, films, filmstrips, micro-film and even video tape.

A great premium will be placed upon new types of grouping with the idea of chronological age as a determinant for grade placement being seriously questioned. As a result we are now hearing things like developmental placement, school readiness, non-grading, team teaching and learning and large group, small group and independent study.

It is being questioned whether or not the magic number of class size is really so magical. Actually the situation and subject matter are a more logical approach to the class size problem than simply some arbitrary numbers.

Our knowledge of how a child learns, is causing us to wonder a little bit about our teaching methods. And, really, it is necessary to good learning that every class meet 250 minutes per week? Is a 180 day school year adequate not only for instructional purposes but also to allow time for the staff to engage in research and development programs?

This is merely scratching the surface. If we add to this special education, computerized instruction, problems of federal, state, and local support of schools, finance, transportation, year round schools, adult education, vocational education, and teaching militancy, it almost becomes overwhelming the role your schools must play. Yet, if we are sincere about our desire to provide good schools then we are at least obligated to explore in some depth all aspects of these ideas, for not to do so seems to be denying the thing we profess.

The future of education is both exciting and challenging. If we can relate satisfactorily the roles of various government levels, provide adequate financing, make teaching an attractive profession and engender community support and trust in the efforts of the school system then we will at long last have arrived at the day where your schools can make you justly proud of them.

With your support and cooperation that day need not be too far off.

REPORT OF HOPKINTON SCHOOL BUILDING COMMITTEE

PURPOSE:

The Hopkinton School Building Committee, voted into existence on April 29, 1967, was charged with the responsibility of translating into a building program the many recommendations made in reports of earlier local, state and regional committees. Basically, these earlier reports emphasized the inadequacy of various specialized facilities at our high school, and the limiting effect of this inadequacy upon the quality and scope of the school's program. Because of this situation, Hopkinton's status as an Approved Comprehensive High School was revoked by the State Department of Education on July 19, 1967.

Although the New England Association of Colleges and Secondary Schools elected Hopkinton High School as a fully accredited member high school for a ten-year term on December 2, 1966, the recommendations of its visiting committee make it clear that we should improve our high school facilities in certain areas. Failure to do so could result in the school's being placed on a probationary status.

RECOMMENDATIONS:

The general proposals of this Committee may be summarized as follows:

A. A Building addition and reconstruction work at the High School which will:

1. Provide new and improved facilities for:

Science Laboratories
Library and Resource Center
Shop
Business Education
Cafeteria
Art and Music
Foreign Language
Physical Education

2. Provide adequate space for our increasing enrollment which is expected to reach 470 at the high school by 1976-77

3. Provide a plant which is economical, yet planned in advance to be flexible and adaptable to changing educational methods and curriculum innovations as required to meet the needs of students in today's world.
4. Give us facilities which will merit restoration of our school's rating as an Approved Comprehensive High School, and which will meet all essential recommendations of the New England Association of Colleges and Secondary Schools.

B. Additions at the elementary schools which will:

1. Provide Kindergarten facilities.
2. Provide facilities for children with limited learning potential.

To help the Committee reduce the foregoing general proposals to specific building plans, it engaged the firm of Irving W. Hersey Associates, Architects and Engineers of Durham, New Hampshire. Mr. Hersey was the Architect for the original high school building. The plans which we have developed with Mr. Hersey contemplate the following:

1. For the High School:

- A. A 22,000 square foot, two-story masonry addition to be erected on the Northwestern corner of the present building and which will provide:

1. Five (5) General Classrooms
2. Two (2) Science Laboratories
3. Library and Resource Center
4. Lecture and Music Room
5. Art and Mechanical Drawing Room
6. Shop
7. Teachers' Room
8. Toilet and Service Facilities

B. Alterations to the Existing high school building which will provide:

1. Conversion of area under gymnasium to:
 - (a) Enlarged Boys and Girls Locker and Shower Rooms.
 - (b) Coach's Room
 - (c) Athletic Storage
 - (d) Receiving and General Storage
 - (e) One (1.) General Classroom

2. Combined Administration and Guidance from existing room.
3. Additional Cafeteria space from existing basement science laboratory.
4. School Nurse's room made from former school secretary's office.
5. Stage storage acquired from former Principal's office.
6. Book storage area from old Guidance office.
7. Gym divider to provide two (2) P.E. Stations.
8. Install intercom system.

2. At The Elementary Schools:

- A. A two-room addition at the Maple Street School for Kindergarten and Special Education.
- B. A one-room addition at the Harold Martin School for Kindergarten.

EXPLANATION OF ABOVE CONTEMPLATED PLANS:

In an effort to make the high school building as flexible as possible, and to meet future enrollment needs, the new shop area is planned to be large enough so that it may be converted into two units, each capable of handling regular shop classes. The two rooms on the second floor of the addition have been so constructed that they may easily be converted into an additional science laboratory with adequate storage area should the need arise. The classrooms on the first floor of the new addition are designed so that they may readily be changed in size to conform to new teaching methods and to varying class sizes.

The Committee is submitting its proposals so that its high school and elementary school recommendations can be voted upon as separate questions under a single warrant article. The elementary school proposals contemplate a Kindergarten program at each school and a special or remedial education program at Maple Street School. The latter program is defined to mean a self-contained class for children of limited learning ability who are in need of special assistance. It would not be a class for mentally retarded children. The Committee recommends that in the event the Kindergarten Program is adopted, transportation be provided both ways.

ENROLLMENT:

It is anticipated that the enrollment in grades 7-12 will reach a total of 470 students by 1976-77. The designed capacity of the building will be 500 pupils, based on a pupil-utilization factor of 85%. Thus, it is reasonable to assume that the proposed facility will be adequate for at least ten (10.) years.

STATE APPROVAL:

A. PLAN APPROVAL:

Preliminary approval of the proposed building program was granted by the State Department of Education on February 14, 1968.

B. BUILDING AID:

The Committee has been assured by the State Department of Education that this project will be eligible for State Building Aid at the rate of 30% of the annual principal payment. The exact amount of such Aid will depend upon the total cost of the project.

COST OF DEBT REPAYMENT AND ESTIMATED BUILDING COSTS:

The figures which follow represent the total debt service payments for the School District. They include present debt payments and anticipated debt resulting from the recommendations of the Committee. Interest for the new construction and alterations is figured at a rate of 4.5%. School Building Aid is computed at 30% of the annual principal payment. Annual repayments for the new debt are based on a twenty (20) year bond issue.

ESTIMATED COSTS

1. HIGH SCHOOL ADDITION AND ALTERATIONS		
Basic Cost of Construction	\$355,066.67	
Alterations	41,643.33	
Fees (Architectural, Eng. & Legal)	28,000.00	
Equipment	48,890.00	
Contingency	6,400.00	
TOTAL	\$480,000.00	
2. ELEMENTARY ADDITIONS		
Basic Cost of Construction:		
Harold Martin School	\$ 19,200.00	
Maple Street School	40,490.00	
Fees and Equipment	5,310.00	
TOTAL	\$ 65,000.00	
GRAND TOTAL		\$545,000.00

DEBT SERVICES

EXISTING DEBT:	Principal	1969-70	1970-71	1971-72
	Interest			
	Less 30 % Building Aid			
	NET ANNUAL PAYMENT	\$34,200	\$26,500	\$25,600
NEW DEBT HIGH SCHOOL*	Principal			
	Interest			
	Less 30 % Building Aid			
	EST. ANNUAL PAYMENT	\$38,400	\$37,300	\$36,200
NEW DEBT ELEMENTARY SCHOOLS*	Principal			
	Interest			
	Less 30 % Building Aid			
	EST. ANNUAL PAYMENT	\$5,175	\$5,075	\$4,875
TOTAL EST. ANNUAL PAYMENT		\$77,775	\$68,875	\$66,675

* Assumes a twenty (20) year bond issue at 4 1/2 % Interest

EFFECT OF BUILDING PROGRAM ON THE TAX RATE *

(Based on the 1967 Town evaluation of \$18,640,000)

HIGH SCHOOL ADDITION \$2.06 per thousand

Person	Owning	\$ 5,000	home, an increase of \$10.30
Person	Owning	\$10,000	home, an increase of \$20.60
Person	Owning	\$15,000	home, an increase of \$30.00
Person	Owning	\$20,000	home, an increase of \$41.20

HIGH SCHOOL ADDITION PLUS ELEMENTARY LEVEL \$2.34 per thousand

Person	Owning	\$ 5,000	home, an increase of \$11.70
Person	Owning	\$10,000	home, an increase of \$23.40
Person	Owning	\$15,000	home, an increase of \$35.10
Person	Owning	\$20,000	home, an increase of \$46.80

The State Department of Education has assured the Committee that State Building Aid at the rate of 30% of principal payments will be granted for this program.

The foregoing figures do not include the cost of actually operating and staffing the additional facilities which we propose. These costs will depend upon the educational program actually instituted and carried on from time to time in the plant provided. This is not a matter which is within the province of a "building committee" but is rather to be determined by the School Board, which the District elects, using appropriations which the District provides. We would suppose that it might be asking enough of the District to provide four new teachers in the first year in which the new facilities will be operational (1969-70), three at the elementary schools and the fourth, a high school teacher for that subject area where the need is deemed greatest by the School Board, say, industrial arts. On this basis we would anticipate the total additional operating costs (including teachers' salaries) to be about \$2.36 per thousand dollars of 1967 assessed valuation, or about the same amount as shown above for total additional debt service for the entire program. Of this \$2.36, only \$1.02 would be for high school. By the following year, the Harold Martin school debt will have been fully paid off and there will have been another year's growth of the Town's assessment base. We would expect in that year that two or three additional high school teachers (say in foreign languages, social science — English, and science) would be added without serious additional burden. The result would be an extraordinarily fine program, both in the elementary schools and at the high school.

EFFECT ON THE HIGH SCHOOL PROGRAM

Our proposed building plan for the high school will permit major improvements of our present curriculum. Classes which require special facilities will be able to meet in areas designed for their particular needs, and the enlarged facilities will allow for additions in such varied fields as the sciences, art and music, the industrial arts, business education and foreign language. A gym divider will be provided to permit increased scheduling of physical education classes. (The present gymnasium will accommodate the two-station physical education program, so no expansion of the gym is recommended at this time.) The increase in classroom space will permit assigning particular teaching departments to particular areas of the building. This will make for more efficient use not only of the building but also of the time of our faculty members.

GENERAL RECOMMENDATIONS:

These building plans will permit the school district to conduct an enriched high school program of excellent quality. The recommendations for kindergarten and special education will also accomplish important improvements at the elementary level. The entire proposal is designed not only to meet the immediate problems of our school system but also to provide well for its future. The high school recommendations include essential specialized core facilities needed now, but adequate for a larger student enrollment later on.

The construction itself is designed not only so that future additions can readily be added to it, when that ultimate need may arise, but its interior planning emphasizes flexibility and adaptability, in keeping with modern trends in education. Movable partitions are proposed for several of the rooms; provision is made for future division of the new, enlarged shop into two teaching stations; and one of the larger new classrooms is planned for possible future conversion to a third laboratory.

With all its educational advantages, the program which we propose is still economical, both for the present and in its planning for the future. We sincerely hope that the voters will agree that it provides a wise basis for solution of the difficult school problems which have worried our community in recent years.
